FIRST CAPITAL REAL ESTATE INVESTMENT TRUST

MANDATE OF THE BOARD OF TRUSTEES

1. GENERAL

The Board of Trustees (the “**Board**”) of First Capital Real Estate Investment Trust (“FCR”) believes that sound corporate governance practices are essential to the well-being of FCR and the promotion and protection of its Unitholders’ interests. The Board oversees the functioning of FCR’s governance system, in part through the work of the Corporate Governance Committee.

The Board has adopted this Mandate, which reflects FCR’s commitment to high standards of corporate governance, to assist the Board in supervising the management of the business and affairs of FCR as required under applicable law and stock exchange rules and requirements.

The fundamental responsibility of the Board is to supervise the management of the business and affairs of FCR with a view to sustainable value creation for all Unitholders. As stated in the public disclosure documents of FCR, FCR’s primary objective is the creation of value through long-term maximization of cash flow and capital appreciation from its growing mixed-use portfolio. FCR achieves this objective (a) through a focused and disciplined acquisition strategy, (b) by undertaking selective development and redevelopment activities, and (c) by pro-actively managing its existing mixed-use portfolio.

The Board promotes full, true and plain reporting, including financial reporting, to unitholders of FCR and other interested persons as well as ethical and legal corporate conduct through an appropriate system of corporate governance, internal controls and disclosure controls. The Board believes that FCR is best served by a board of trustees which functions independently of management and is informed and engaged.

The Corporate Governance Committee will review this Mandate annually, or more often if warranted, and recommend to the Board such changes as it deems necessary and appropriate in light of FCR’s needs and legal and regulatory developments.

2. BOARD COMPOSITION

(a) Board Membership Criteria

The Corporate Governance Committee is responsible for establishing the competencies and skills that the Board, as a whole, should possess; the competencies and skills that each existing trustee should possess; and the competencies and skills each new candidate to be elected by unitholders should bring to the Board.

The Corporate Governance Committee recommends candidates for initial Board membership and Board members for nomination. In making its recommendations, the Corporate Governance Committee focuses on the competencies, skills, personal qualities, real estate or other business experience, as well as taking into account diversity considerations such as gender, age, background and other qualities of the candidates to

enhance the Board's decision-making process and the overall management of the business and affairs of FCR.

Trustees must have sufficient time to carry out their duties and not assume responsibilities which would materially interfere with or be incompatible with Board membership. Trustees who change their principal occupation are expected to advise the Corporate Governance Committee and, if determined appropriate by the Corporate Governance Committee, resign from the Board.

(b) Trustee Independence

The Board's composition and procedures are designed to permit it to function independently from management and to promote and protect the interests of all unitholders. The Board believes that, except during periods of temporary vacancies, a majority of its members should be "independent" ("**Independent Trustees**") as defined in section 1.4 of National Instrument 52-110—*Audit Committees*, as the same may be amended from time to time ("**NI 52-110**"). The Board will determine whether a trustee is an Independent Trustee.

The Board will review the independence of all trustees on an annual basis and will publish its determinations in the management information circular relating to FCR's annual meeting. To facilitate this review, trustees will be asked to provide the Board with full information regarding their business and other relationships with FCR and its affiliates and with senior management and their affiliates. Trustees have an ongoing obligation to inform the Board of any material changes in their circumstances or relationships which may affect the Board's determination as to their independence.

(c) Board Size

The Board sets the size of the Board from time to time. The Board considers eight or nine trustees to be an appropriate size for effective decision-making and committee work given the nature of FCR's operations and its current ownership.

(d) Term

All trustees are elected at the annual meeting of unitholders of FCR for a term of one year. The Board does not believe it should establish term limits or mandatory retirement ages for its members as such limits may deprive FCR and its unitholders of the contributions of members who have been able to develop, over time, valuable insights into FCR, its strategy and business operations.

(e) Board Succession

The Corporate Governance Committee is responsible for maintaining a Board succession plan that is responsive to FCR's needs and the interests of its unitholders.

(f) Service on Other Boards

The Board does not believe that its members should be prohibited from serving as a trustee, directors or in a similar position for a government agency or an outside entity, so long as these commitments do not create a conflict of interest or interfere with their ability to fulfill their duties as members of the Board. Trustees must be mindful of the number of other public company boards and committees of those boards on which they serve, taking into account potential attendance, participation and effectiveness on those boards and committees. Before accepting an appointment to the board or a committee of any entity, or accepting a chair appointment for an existing board, a trustee should obtain consent of the Chair of the Board and the Chair of the Corporate Governance Committee.

3. TRUSTEES' DUTIES AND RESPONSIBILITIES

Trustees must act honestly and in good faith with a view to the best interests of FCR and its unitholders and in connection therewith must exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In order to fulfill this responsibility, each trustee is expected to:

- approve multi-year strategic plans and annual business plans;
- develop and maintain a thorough understanding of FCR's operational and financial objectives, financial position and performance and also in the context of its principal competitors;
- diligently prepare for each meeting, including reviewing all meeting materials distributed in advance;
- actively and constructively participate in each meeting, including seeking clarification from management and outside advisors where necessary to fully understand the issues under consideration;
- engage in continuing education programs for trustees, as appropriate; and
- diligently attend all meetings of the Board and any committee of which he or she is a member.

4. BOARD DUTIES AND RESPONSIBILITIES

In fulfilling its responsibilities, the Board is, among other matters, responsible for the following matters.

(a) Appointment and Supervision of Chief Executive Officer and Senior Management

The Board appoints and supervises the Chief Executive Officer, approves his or her compensation and, as permitted by applicable law, delegates to senior management responsibility for the day-to-day operations of FCR.

The Board will establish and maintain a position description for the Chief Executive Officer and Chief Financial Officer.

(b) Strategic Planning and Risk Management

The Board will approve a multi-year strategic plan and annual business plans with measurable performance indicators in accordance with FCR's public disclosure documents. In this regard, the Board will:

- adopt a strategic planning process and review and approve on an annual basis a strategic plan developed by management which includes rigorous but realistic goals, takes into account, among other things, the opportunities and risks of the business and sets parameters within which management will operate in relation to capital expenditures, investment activities, risk management and other matters;
- set annual corporate and management performance targets consistent with FCR's strategic plan;
- confirm that a system is in place to identify the principal risks facing FCR and its business and that appropriate procedures are in place to monitor and mitigate such risks; and
- confirm that processes are in place to address and comply with applicable legal, regulatory, corporate, securities and other compliance matters.

The Board will, on a quarterly basis, review a report from senior management describing the risk exposures of FCR assigned to it on the enterprise risk register, and the steps senior management has taken to monitor and control such exposures.

(c) Financial Reporting and Management

The Board will:

- approve FCR's annual and interim financial statements and related management's discussion and analysis and review and oversee the integrity of FCR with respect to its compliance with applicable audit, accounting and financial reporting requirements;
- approve annual operating and capital budgets;
- confirm the integrity of FCR's internal controls over financial reporting and management information systems; and
- review operating and financial performance results relative to established strategies, plans, budgets and objectives.

(d) Disclosure, Communications and Insider Trading

The Board will satisfy itself that appropriate policies and procedures are in place regarding public disclosure, communications and restricted trading by insiders in order to:

- disclose all material information in compliance with FCR's timely disclosure obligations and to prevent selective disclosure of material information to analysts, institutional investors, market professionals and others;
- verify that news releases and corporate documents issued by FCR and public oral statements made by or on behalf of FCR are accurate and do not contain a misrepresentation;
- inform all trustees, officers, and other employees of FCR about their obligation to preserve the confidentiality of undisclosed material information about FCR; and
- inform all trustees, officers and other employees of FCR about prohibitions on illegal insider trading and tipping under applicable law and stock exchange rules.

(e) Corporate Governance

The Board will:

- establish an appropriate system of corporate governance including practices to facilitate the Board's independence;
- establish committees and approve their respective charters and the limits of authority delegated to each committee;
- establish appropriate processes for the regular evaluation of the effectiveness of the Board and its committees and the contributions of individual trustees;
- approve the nomination of trustees;
- review the adequacy and form of trustees' compensation to confirm that it realistically reflects the responsibilities and risks involved in being a trustee; and
- provide an opportunity for Independent Trustees to meet on a regular basis or as needed.

(f) Approval of Certain Other Matters

Notwithstanding the delegation to management of the authority to manage the business of FCR, the Board must approve the following:

- any material departure from an established strategy, operating or capital budget or corporate policy approved by the Board;

- the entering into of any agreement or transaction, the performance of which could result in an actual or contingent liability that would be material to FCR;
- those matters which may not be delegated by the Board under applicable corporate law; and
- such other matters as the Board may, from time to time, determine require its approval.

(g) Delegation to Management

The Board delegates to the Corporate Secretary authority to make housekeeping and non-material changes to this Mandate, the charters of the Board committees and Board policies. Before making such changes the Corporate Secretary shall obtain the consent of the Chair of the Corporate Governance Committee. The Corporate Secretary shall report such changes to the next meeting of the Board and/or relevant committee.

5. ROLE OF MANAGEMENT

Management is responsible, with input and approval from the Board, for developing strategy and implementing strategy. Management is also responsible for safeguarding FCR's assets and for creating wealth for unitholders. When management performance is inadequate, the Board has the responsibility to bring about appropriate change, and when management performance is effective, the Board will reward management accordingly.

FCR's governance policies are designed to create autonomy and effective decision-making of management, and to ensure appropriate oversight by the Board and its committees. Management of FCR is under the direction and control of the Chief Executive Officer. Senior management, through the Chief Executive Officer, reports to and is accountable to the Board.

Management is responsible for developing a multi-year strategic plan and an annual business plan, including an annual operating and capital budget, for review and approval by the Board. The Board's approval of the business plan provides a mandate for management to conduct the affairs of FCR. Material deviations from the plan must be reported to and considered by the Board.

The Board, in consultation with the Compensation Committee, maintains a succession plan for the Chief Executive Officer and establishes objectives against which the Chief Executive Officer's performance is benchmarked. Compensation is assessed against objectives which are established. Similar reviews and assessments are undertaken for other members of senior management by the Chief Executive Officer with input from the Board.

The Board may also take action from time to time by unanimous written consent. A Board meeting may be called by the Chair, the Chief Executive Officer or any trustee.

(c) In Camera Meetings and Meetings of Independent Trustees

To provide open discussion among the trustees, they shall meet separately in camera at every Board meeting (i) with the CEO present and (ii) without the CEO present and any other trustee that has declared a conflict, as applicable, present. These meetings are chaired by the Chair of the Board if the Chair is an Independent Trustee, or Lead Trustee (if one is appointed) or in his or her absence, one of the other Independent Trustees, who informs senior management of the substance of these meetings to the extent that action is required by them. Additionally, the Independent Trustees will meet at such other time as any Independent Trustee may request.

11. TRUSTEE COMPENSATION

The Compensation Committee has the responsibility for recommending to the Board compensation and benefits for service on the Board and on Board committees. In discharging this duty, the Compensation Committee will be guided by the following principles: compensation should fairly pay trustees for work required in an issuer of FCR's size and

scope; it should not exceed what is customary given the size and scope of FCR's business and operations; compensation should align trustees' interests with the long-term interests of unitholders; and the structure of the compensation should be simple, transparent and easy for unitholders to understand. Not less often than annually, the Compensation Committee will review trustees' compensation and recommend any changes to the Board.

12. EQUITY OWNERSHIP REQUIREMENTS

In addition, the Corporate Governance Committee, with the assistance of the Chair of the Board (if Chair is an Independent Trustee) or of the Lead Trustee (if one is appointed), will evaluate individual trustees to assess their suitability for nomination for re-election.

16. CODE OF BUSINESS CONDUCT AND ETHICS

The Board has adopted a Code of Business Conduct and Ethics. The purpose of the Code is to ensure that FCR maintains a high level of trust and integrity in accordance with the highest ethical standards.
